Schedule F, Part I, Line 2 - Procedures for monitoring the use of grant funds projects are funded by SowHope using the following procedure:
SowHope utilizes a program strategy that is summed up as "local leaders using local solutions to solve local problems." we receive
applications for project funding on an invitational basis from local leaders who already have a reputation for helping women. Once a local
leader has been funded, they become a SowHope partner. A project application is required for every unique funding request. The project
application must include contact information, a description of past outcomes which have helped women, a need basis for the project,
statement of project goal, an action plan, sustainability plan, and evaluation plan. Qualifying projects meet the following criteria: falls under
at least one of SowHope's three program areas; Wellness, Education, or Economic. These programs are time-limited, have measurable
outputs, and are outcome-based. Applications are received either through e-mail, USPS, or hand-delivery. The applications are processed
by the SowHope Program Team, which evaluates each application using a rubric to determine alignment with the SowHope mission, as well
as expectation of effectiveness. Applications are scored and placed on a priority list and are funded once funding is available. There are two
funding cycles per year. An application is either funded during the next cycle, put on hold to be considered for the following funding cycle, or
deactivated. If the project is not funded within one two consecutive funding cycles, it is considered deactivated and must be resubmitted for
consideration. When a project is accepted for funding, a Memorandum of Understanding (MOU) outlining: the Objectives, the Predicted
Outcomes, and funding of the project is agreed upon and signed by SowHope and the partner. Once the MOU is signed, SowHope either
hand-delivers money (for rural projects without bank access), wires the money, or sends a check to the partner to fund the project.
SowHope provides the partner with report templates halfway and at the end of the funded projects. The Halfway and End of Project Reports
are filled out and sent by the partner to SowHope by email or phone about halfway through the project to detail progress, plus a final written
report must be submitted upon project completion which includes, at minimum, a detail of financial expenditures and the number of women
impacted. SowHope evaluates the projects on-site at, or near, the end of the project. This is done by the president and SowHope, staff, or
volunteers visiting the field sites and interviewing partners and beneficiaries to see how the project was implemented compared to terms of
the MOU, as well as how the project impacted the women.
Schedule F, Part II, Line 1 - The GAAP accounting standard is the core methodology utilized for all financial transactions of any sort, in the
creation of all financial statements and supporting documentation for SowHope.
